

Mowing and Cleanup Services RFB (Request for Bid) 2020-RFB-0001

Addendum #1

Questions from bidders:

1. How is the cost of material taken into consideration for boarding windows/doors?

The cost of material should be included in the total bid for Boarding Windows/Doors section of the service schedule.

2. What is the average cleanup volume (cubic yards) for the past 3 years

The average cleanup volume for the past 3 years is approx. 375 CY

3. Is the Auto liability mentioned in RFB document correct?

Yes, it is the minimum required by the state of Texas.

4. Will all properties requested for mowing services be required to be trimmed with a weed eater for the entire boundary of the property?

Service requests for mowing will need trimming with weed eater for areas visible from right of way that cannot be cut with a mower to maintain the grass at the shortened uniform height.

5. What constitutes a "Developed Site"?

A "Developed Site" is a property with a habitable commercial building or single family residence, for example a lot with only a storage shed will not be considered a developed site.

6. What is this fiscal year's budget (FY20-21)?

FY20-21 budget is \$30,000.
