Re: Consideration of Using CVB Contingency Funds for *The Nutcracker*

The Pow-Wow Players Booster Club of the Waxahachie High School Drama Department is seeking sponsorship and support to bring "Lakes Cities Ballet - The Nutcracker" to Waxahachie as part of the new WHS Performing Arts Center's debut season calendar and add more excitement to Waxahachie's list of Christmas events that we already promote.

The event would be a matinee show on Saturday and Sunday, December 1-2, 2018 strategically not to compete with Bethlehem Revisited, plus add another itinerary item for visitors to choose from that weekend.

The CVB has met with all of the entities involved to discuss the feasibility of tickets sales and everything points to not only the event breaking even, but creating incremental revenue to use for next year's production.

This would be Lake Cities Ballet's only performance south of the Trinity and would showcase Waxahachie as a leader in the performing arts unlike any of our surrounding communities.

(3)

The event also meets the two-part test of usage of Hotel-Motel Tax:

1. Heads-In-Beds - With over 200 cast and crew members the production alone will be booking hotel room.
2. Promotion of the Arts

The cost to book the performance is \$19,000, plus \$21,138 in production cost for the venue and staff. It is my understanding that the Pow-Wow Players Booster Club has the \$21,138 in production costs covered.

As always, thank you for your time and consideration of this item.

Sincerely,
Laurie Mosley
Director, Waxahachie CVB
