2018 Highlights of Community Service

During World CPR Challenge Day, we trained over 1000 Ellis county residents in hands only CPR. We set up training stations at the Waxahachie Walmart and Red Oak High School. It was a terrific day that passed on valuable community education to willing participants.

Ellis County EMS attended local Waxahachie High School Criminal Justice Career day, Youth Expo Rodeo and Skills USA Student Event in Waxahachie. Red Oak ISD hosted an Active Shooter Drill and invited us to attend.

Participating as event medical at Red Oak Red White and Blue Fireworks, Ennis Polka Festival and the Texas County Reporter Festival provided great opportunity for our crews to interact with community members.

In keeping with historic performance, we were proud to offer medical support and award presentation assistance to the Special Olympics held in Red Oak.

2019 Initiatives

As we look forward to 2019 and service to the community, we have identified several opportunities to become an active partner in the communities we serve. Here are a few ideas of what you will see in the coming year:

- Community Stop the Bleed
- Senior Center BP monitoring
- Involvement in local health fairs
- Continued public education for hands only CPR – World Challenge
