

## ENERGY CODE CERTIFICATION

This form is to certify that the structure listed below complies with the 2006 International Energy Conservation Code. It is also understood that certifying compliance with the 2006 International Energy Code when the structure does not actually comply with the Energy Code shall be grounds for the City of Waxahachie to suspend or revoke my ability, as well as the ability of the company I represent, to certify that any future structures in the City of Waxahachie comply with the Energy Code.
